Expression of interest

We consider the approach for the Pack4Reuse project, which pacocon GmbH is pursuing with partners, to be interesting and see a need for such a project because ...

Cooperation with Pack4Reuse

We would therefore like to contribute ourselves and our company in the following way:

We are willing, but not legally obliged, to support the project as follows:

- deliver input to develop new solutions for our product packaging
- act as an advisor to give feedback on solution approaches or pilot samples
- allow test runs on our machines
- hand out details about financial conditions
- use our business network to promote the development of the approaches
- other: _____

A Non Disclosure Agreement NDA between pacoon and the supporting organization will be installed prior to exchanging secret data.
